United States Patent List

Date: 2025/4/30

Date: 2025/4/30	
Registration Number	Title
6,568,057	Roller burnishing tool
7,266,873	Throw-away burnishing tool for outside diameter and for inside
	diameter
8,134,098	Laser machining apparatus using laser beam introduced into jet
	liquid column
8,342,912	Abrasive water jet processing machine
8,581,141	Laser machining apparatus using laser beam introduced into jet
	liquid column
8,591,153	Pneumatic drilling device
8,931,320	Dimple-forming burnishing tool
8,997,625	Hydraulic feed-rate control apparatus
9,033,770	Combined processing tool
9,061,389	Working unit
9,001,389	Clamping device for portable boring machine and portable air-
9,259,793	, , , , , , , , , , , , , , , , , , ,
	drive-drilling machine with clamping device
9,308,588	Clamping device, clamping method, and hole drilling method
9,333,563	Drilling work control method and drilling work device
9,364,869	Turret-type cleaning apparatus
9,393,627	Turret device
9,488,305	Joint
9,630,217	Cleaning apparatus
9,638,330	Ultrahigh-pressure sealing device and reciprocating pump
9,643,218	Turret-type cleaning apparatus
9,682,459	Abrasive nozzle head
9,700,903	Straightening device and fluid nozzle
9,718,167	Fluid nozzle
9,827,648	Roller burnishing tool device
9,889,475	Adhesive material for use in residue confirmation, and method
	for confirmation of residue remaining on object to be cleaned
, ,	after cleaning using the same
9,889,538	Method and apparatus for water jet cutting
9,931,677	Cleaning apparatus
10,058,978	Nozzle device
10,239,129	Machine tool
10,239,175	Vertical machining center
10,247,344	Fluid passage structure
10,272,543	Nozzle
10,272,545	Lance nozzle and excess sprayed coating removal device
10,307,771	including the same
10.252.200	
10,352,309	Fluid pressure producing method and fluid pressure producing
10,363,621	Combined machining tool and machining method using same
10,422,326	High pressure generator with bidirectional check valves
	controlling overpressure
10,428,809	Pumping system
10,493,502	Air blowing device
10,549,323	Water jet peening method
10,569,312	Excess sprayed coating removal device, shield plate, and shield
10,578,196	Tilting device
10,632,510	Female screw cleaning method
10,654,060	Nozzle inspection apparatus and nozzle inspection method
10,668,563	Laser machining apparatus
10,738,936	Feeding device
10,744,537	Cleaning tool attachment
	· · · · ·

Registration Number	Title
10,751,745	Nozzle deflection measuring device and method thereof
10,792,787	Burnishing machine
10,809,143	Jet apparatus and method of evaluating jet
10,857,650	Inner surface finishing tool
10,890,427	Nozzle inspection method and apparatus
10,913,131	Laser machining apparatus
10,926,339	Deburring tool and deburring method
10,974,269	Nozzle deflection measuring device and method thereof
10,974,290	Foreign object inspection device and foreign object inspection
10,995,986	Dryer
11,033,983	Method for cleaning nozzle and laser machining apparatus
11,097,321	Cleaning machine
11,154,962	Burnishing tool
11,192,152	
11,213,865	Cleaning apparatus and method of cleaning and drying an
11,273,500	Cleaning method for workpiece and cleaning apparatus
	Drilling method and drilling machine
11,306,712	Pump apparatus and method of operating pump
11,318,503	Cleaning method
11,371,646	Feeding device
11,376,673	Deburring tool and deburring method
11,426,771	Cleaning machine and cleaning method
11,458,511	Cleaning apparatus and cleaning method
11,465,183	Cleaning apparatus and cleaning method
11,465,184	Cleaning method and cleaning apparatus
11,491,515	Cleaning apparatus
11,541,432	Cleaning machine
11,571,777	Machining apparatus
11,602,812	Vertical machine tool and tool changing method
11 600 306	Dried cellulose fibers, cellulose fiber-resin composite, and
111.000.300	· · · · · · · · · · · · · · · · · · ·
11,608,386	molded article
11,623,166	Liquid processing apparatus and liquid processing method
11,623,166 11,839,904	Liquid processing apparatus and liquid processing method Cleaning apparatus
11,623,166 11,839,904 11,883,929	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method
11,623,166 11,839,904 11,883,929 11,938,494	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010 D912,109	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts Machining center
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010 D912,109 D984,496	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts Machining center Washing deburring and drying machine for machined parts
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010 D912,109 D984,496 D993,289	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts Machining center Washing deburring and drying machine for machined parts Washing machine for machined parts
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010 D912,109 D984,496 D993,289 D993,290	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts Machining center Washing deburring and drying machine for machined parts Drilling and tapping machine
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010 D912,109 D984,496 D993,289 D993,290 D1,032,127	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts Machining center Washing deburring and drying machine for machined parts Washing machine for machined parts Drilling and tapping machine Spray nozzle for a pressure washing machine
11,623,166 11,839,904 11,883,929 11,938,494 12,059,639 12,083,544 12,090,560 12,111,106 12,138,746 12,145,240 12,179,275 D776,791 D816,745 D817,441 D832,320 D859,482 D865,010 D912,109 D984,496 D993,289 D993,290 D1,032,127 D1,053,307	Liquid processing apparatus and liquid processing method Cleaning apparatus Abrasive peening apparatus and abrasive peening method Nozzle Processing machine Nozzle Deburring apparatus and deburring method Vacuum dryer Peening apparatus Cavitation processing apparatus and cavitation processing Drilling machine Check valve with valve seat Reaming and burnishing tool Straightening device for jet flow Roller for mirror-finishing Roller burnishing tool for machine tool Washing machine for machined parts Machining center Washing deburring and drying machine for machined parts Washing machine for machined parts Drilling and tapping machine Spray nozzle for a pressure washing machine for machined parts Cleaning nozzle for a washing machine for machined parts
